Dear Jagadguruswami Sahib

You are aware that the Karnatak College is doing well, but some improvement is wanted. It has now opened a Science side and our Lingayat students are acquiring knowledge which will serve them in good stead in years to come. A good playing ground is necessary and will help our boys to acquire health and strength as well as learning. A Union is necessary also for development of ideas, of a full fr debat and of free social intercourse.

If you can, out of your generosity spare something to help on this great cause you will have the satisfaction of knowing that your efforts have increased the strength and influence of the Karnatak College. Any donation should be payable to the Principal, Karnatak College, Dharwar, and a list of such donations will be published in the leading newspapers.

I enclose a copy of the appeal.

Yours sincerely
L. Pinhey

AN APPEAL.

We take this opportunity to bring to your notice the activities of the premier educational institution of the Southern Division, the Karnatak College, Dharwar.

The College was started in 1917 as a second grade College and on becoming a full grade College in 1920 was transferred to the beautiful building which it is occupying at present. It has on its rolls 450 students from all communities, Lingayats, Brahmins, other Non-Brahmin Hindus and Mahomedans. Residential accommodation has been provided for 200 students, who have further the unique privilege of coming in close contact with seven members of the staff living on the premises.

Being situated in a salubrious climate amid beautiful surroundings, the College has attracted students from distant districts. In every respect, the College may now be regarded as nucleus for the Karnatak University of the future, and in developing the College, the authorities have always tried to take long views and keep before their mind the ultimate destiny of the institution.

The most urgent need of the College at present is a playing ground of its own. The greater part of the open space in front of the College has been cleared and levelled by Government at considerable expense but it is too rocky and hard to be suited for the purpose for which it was intended. The cost of putting it in order is estimated at about Rs. 15,000. For want of a proper ground, the activities of the College gymkhana have been considerably crippled of late.

Besides the playing ground and as a useful appendage to it, the College is in need of a Union, such as exist in the Universities of the West, giving an opportunity for all students irrespective of race and religion, to meet and exchange freely and informally their thoughts and thus to create a taste for healthy corporate life of which there cannot be too much in and outside the Colleges in India. It is anticipated that it will be possible to house the Union in a suite of rooms near the main building but in order properly to furnish the place and make it attractive so as to give the students a feeling of pride in it, a sum of Rs. 5,000 is needed.

The College in its inception has laid the fine tradition of being the joint outcome of Government aid and public support. It is therefore confidently expected that the same worthy tradition will be kept up by the public spirited men of the Karnatak coming forward to subscribe to the best of their abilities for these worthy objects. By doing so, they will be building up the future well-being of the young men of the Karnatak on a firm basis, than which there can be no better use for the wealth of generous donors.

Nilgiri Lingayet school, Bridge Lawn, Kartary, Katary P.O.

Nilgiris, 5th April 1928

From

The Committee of the Nilgiri Lingayet School,

Bridge Lawn, Katary P.O.

To

His Holiness Shriman Niranjana Jagad Guru
Shri Tontadharya Maha Swamy Galavaru
Gadag.

Revered Sir,

We beg to lay before you our humble appeal for funds for the above school and put before you the matters as they stand at present:-

The school is run by a Committee of 9 members with a very small fund invested in shares of the Veera Siyva Lingayet Union Bank Limited, Kartary, and is still unrecognised to get any help from Government until we are able to show a trust fund of Rs.15000/- to Government. The strength of the school is over 100 with a staff of 7 teachers including a Headmaster B.A.L.T. of several years experience in teaching and the average expenditure of the school is at present Rs.300 per mensem. The main idea of establishing the school is to provide free boarding, clothing and education of poor and orphan Lingayet children and we are unable to carry on this object for want of funds. The school is situated about 2 miles to the south of Ketti Railway Station near the junction Kaity waterfall and Yellanhulli waterfall roads.

We therefore humbly beg to appeal to you that you will for the sake of the poor children of our community help us with your kind and generous donation to enable us to get the school recognised and firmly establish the school with a good foundation for the education and uplift of our community on the nilgiris. We might here mention that the people of our community are so very poor their children's state is most pitiable, they know not what our religion is and are in very uncivilized condition.

We pray therefore that you will not hesitate for a moment in sending your might to the Secretary of the Veera Siyva Lingayet Union Bank Ltd, Kartary, Katary P.O. with a note of donation for the Nilgiri Lingayet school or pay our representatives Messrs.Basavappa

Thavaru and B.M.Nunjiah who are on tour in that part of our community, which donation we ourselves, the children of the school and the future generation will never fail to remember but we will assure you that it will remain everlasting in black and white in the history of the school.

We conclude our appeal with the best of thanks to you in anticipation of your kind and generous grant at an early date and wishing you sound health, long life, and success in all your attempts.

We beg to remain,

Sir,

yours sincerely,

Vice-Chairman

Committee of the Nilgiri Lingayet School.

Earnest Appeal for Funds - A real Charity.

"GENEROUS GIFTS WILL EVER LAST AND GOOD DEEDS ARE NEVER LOST."

1. The Nilgiri Lingayet School (started - after a careful and deep consideration of matters- by a Committee of members of the Nilgiri Lingayet Community in June 1926) is situated at Bridge Lawn, about half a mile to the South of St. Georges Homes and near the junction of Kaity Waterfall and Yellenhulli Waterfalls roads.

This was started with a very small fund and now appeals for more funds to bring this charitable project to a successful limit.

2. The present strength of the school is over ~~60~~ 80 which is rising steadily and will, it is hoped, in the near future, be over 500 - the school forming a centre for several villages around.

3. Parents of the children (mostly Lingayets) are very poor, consequently they are not in a position and cannot afford to send their children for education even to the only High School at Ootacamund on the Nilgiris. This school is therefore started with a view to give to the children a higher standard of education as will enable them to get on in life at an expense of a small amount to be incurred by the parent.

It is also the vital part of the scheme to provide, if funds permit, **free boarding, clothing and education to the orphan children.**

4. This school under the above circumstances prays for your kind donation for the sake of education and help of the helpless poor & orphan children, which generous help will ever be gratefully and thankfully appreciated by the children and their future genarations benefiting by the school.

5. The school assures that an annual report will be sent to your goodselves regarding its working and progress during the previous year to show that the donation granted is not a waste but is used for a right and appropriate cause.

6. The school also requests, with pleasure, to be informed of the date and hour of Donor's visit to the school whenever desired.

With dutiful and humble respects

from the Committee of **The Nilgiri Lingayet School,**

P. S. Very kindly send your generous gift (Donation for the school) to either
